RECRUITMENT

BEE RECRUITMENT GOES GLOBAL

We are delighted to announce that we will soon be opening a brand-new Middle East Division which will be based in Dubai.

After working with our Clients and Candidates on numerous projects in the Middle East this year we have seen an increasing appetite for people wanting to relocate to this area.

With many new openings and a growing luxury sector in the region we feel the time is right to now have our feet on the ground.

At Bee we pride ourselves at being the very best in what we do, that is making exceptional introductions and fully understand the local market and the people in it.

Because of this we will be spending the next month fully immersing ourselves in the local market preparing for a full launch in early 2021.

Kai Weller will be heading up the division and has a wealth of experience in the luxury sector having opened and operated a number of award winning 5* Hotels, Restaurants and Private Members Clubs, as well as spending the last 6 years recruiting for them across the World.

We will be partnering with the top operators in the region as well as offering a bespoke VIP service for HNW/UHNW Private Households.

Our main area of focus will be sourcing the best talent for the following operations:

- 5* Hotels
- Bars & Restaurants
- Private Members Clubs
- Private Households
- Meeting and Event venues

We look forward to hearing from you and sharing more news in the New Year
